

Конкурс по английскому языку для учащихся 5-6 классов

«ОСНОВЫ АНГЛИЙСКОГО»

Задание 1 (10 баллов)

Give short answers to the questions of Jane's mother.

Jane: I know English alphabet very well!

Jane's mother: Oh, do you? Let's check it!

1. What's the fourteenth letter of the alphabet?
2. What's the seventh letter from the end of the alphabet?
3. Make a 4-letter word using the first, twentieth, second and fifteenth letters of the alphabet.
4. How many different letters are there in the word **different**?
5. Make two words that end with the eighteenth letter of the alphabet.
6. Which letters in the word **elephant** come between D and P in the alphabet?
7. Which letter in the word **skirt** is furthest from N in the alphabet?
8. Which letter comes twice in **camera** but only once in **mistake**?
9. How many different vowels and consonants are there in the word **interesting**?
10. What is the position in the alphabet (first, second, etc.) of the middle letter in the word **chocolate**?
11. Which letter is halfway between the fifth and fifteenth letters of the alphabet?
12. Arrange the following words in alphabetical order: **card, comb, carrot, cream, coffee**.
13. Which letter in the word **hair** is closest to N in the alphabet?

ОТВЕТ:

1. Четырнадцатая буква алфавита – **N**.
2. Седьмая буква с конца – **T**.
3. Из первой, двенадцатой, второй и пятнадцатой букв складывается слово **BOAT**.
4. В слове "different" используется **7** различных **букв** алфавита: d, i, f, e, r, n, t (f и e используются дважды).
5. Здесь каждый из вас привел свои варианты слов, оканчивающиеся на 18 букву алфавита – **R**. Например: father, mother.
6. Из слова **elephant** в алфавите между буквами D и P идут буквы **EHLN**.
7. Из слова **skirt** самой дальней буквой от N будет буква **T**.
8. Буква **A** дважды встречается в слове **camera** и только раз в **mistake**.
9. В слове **interesting** встречаются **2** различных **гласных** (i и e) и **5 согласных** (n, t, r, s, g).
10. Буква **O** находится ровно посередине слова **chocolate**, и она **пятнадцатая** в алфавите по счету.
11. Буква **J** ровно посередине между пятой и пятнадцатой буквой.
12. Этот пункт показал, как хорошо вы ориентируетесь в построении английского словаря. Предложенные слова будут идти в следующем алфавитном порядке: **card, carrot, coffee, comb, cream**.
13. Буква **R** ближе всего в алфавите к N из букв слова **hair**.

14. said
15. said
16. saved

Задание 6 (30 баллов)

There are lots of films and cartoons about different superheroes with various superpowers nowadays. We think that any of you had a thought "what if...". What if I had this or that super ability?

Let's imagine it is real! What kind of a superhero would you like to be? What costume could you wear? What superpower(s) do you have?

Start your work with: *"On the one hand I'm an ordinary boy/girl..."*.

(Not less than 150 words).

ОТВЕТ:

оценивалось разнообразность конструкций, отсутствие грамматических и орфографических ошибок, соблюдение условий задания.
